Alice Scott, Michele Redmond : Introduction to Physical Therapy, Occupational Therapy, and Speech Therapy Billing before purchasing it in order to gage whether or not it would be worth my time, and all praised Introduction to Physical Therapy, Occupational Therapy, and Speech Therapy Billing:

1 of 1 people found the following review helpful. Very HelpfulBy TylerI think this is a good place to start for anyone interested in starting their own practice. The information in this book is short and simple which is what I needed as a starting point . This will not be the only book you will need to get your business going but it will help point you in the correct direction.0 of 0 people found the following review helpful. PT Billing BookBy Paulette LewisGreat book for learning the basics about billing! It gives the foundational information needed to understanding what therapy billing is all about.

A complete resource for the introduction to billing medical insurance for therapy services for physical therapists,

occupational therapists and speech therapists. Whether you are a therapy office looking to have a better understanding of the billing process, an established billing service looking to expand your billing specialties or a new biller trying to get started in the field of therapy, this book will give you an introduction to the "ins and outs" of therapy billing. Topics covered include how participation with insurance carriers affects the billing, the credentialing process, authorizations and referrals, modifiers, modalities, submitting and tracking claims, workers comp, auto accident claims, Medicare, Medicaid, CPT codes, ICD9 codes, ICD10 codes, taxonomy codes, steering clear of fraud, NPI #s, UPIN, PTAN, tax ID#s, and experimental and investigational treatments.

About the AuthorMother/daughter team,Alice Scott and Michele Redmond have dedicated themselves to helping others in the medical billing business succeed. They have written 15 books on medical billing topics and offer a free medical billing forum where others can get medical billing questions answered every day. They started their business in 1994 and write from their personal experiences.
