Rumiko Takahashi : Inuyasha, Vol. 1 (VIZBIG Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Inuyasha, Vol. 1 (VIZBIG Edition):

2 of 2 people found the following review helpful. Nicely made but some changesBy Sandy P Nicely constructed book that looks like it will hold up well. I took away one star because some of the translations were off.1 of 1 people found the following review helpful. GreatBy CustomerInuYasha is about a girl named Kagome who is transported back in time. If you liked the anime, I recommend the manga!2 of 2 people found the following review helpful. a brilliant large adaption unflipped!By mariei have always loved inuyasha since 7th grade and finally something that gives more

manga in one. the story starts off with kikyō's death and inuyasha seal on the tree of ages and the jewel of four souls, then it segways nicely to a very annoying and stressed kagome who gets pulled into the well in her family's shrine and ends up in the past and frees inuyasha. with many demons and humans possessed by the jewel will inuyasha and kagome ever learn to get along and stop a greater evil that intends to use the jewel for world domination? three vols in one! a great buy!

L to R (Western Style). Quietly. Historical Action And Romance From One of Japan's Most Beloved Creators Kagome is a modern Japanese high school girl. Never the type to believe in myths and legends, her world view dramatically changes when, one day, she's pulled out of her own time and into another! There, in Japan's ancient past, Kagome discovers more than a few of those dusty old legends are true, and that her destiny is linked to one legendary creature in particular--the dog like half-demon called Inuyasha! That same trick of fate also ties them both to the Shikon Jewel, or "Jewel of Four Souls". But demons beware... the smallest shard of the Shikon Jewel can give the user unimaginable power.

About the Author Author and artist Rumiko Takahashi, the world's most popular and prolific female manga creator, has a large, devoted international fan base. Over 100 million copies of her work, such as Urusei Yatsura, Maison Ikkoku, Ranma 1/2 and Mermaid Saga--all available from VIZ Media--have been sold worldwide. Takahashi's works have been the basis for four long-running animated series and over eight animated movies.
