0 of 0 people found the following review helpful. Ive Always Loved ItBy CustomerThis series was full of heart, full of mystery, full of action and adventure. The anime is wonderfully written and the soundtrack is superb. The manga is powerful. It contains alot of things the anime wasnt able to give you. There is alot more detail and alot more character elements in the manga. That being said every single piece of this wonderful series is worth buying and offers one of the best prices youll find to collect it without going bankrupt.0 of 0 people found the following review helpful. Historical action and romance from one of Japans most beloved creators! L to R (Western Style). N/A Historical Action And Romance From One of Japan's Most Beloved Creators Kagome is a modern Japanese high school girl. Never the type to believe in myths and legends, her world view dramatically changes when, one day, she's pulled out of her own time and into another! There, in Japan's ancient past, Kagome discovers more than a few of those dusty old legends are true, and that her destiny is linked to one legendary creature in particular--the dog-like half-demon called Inuyasha! That same trick of fate also ties them both to the Shikon Jewel, or "Jewel of Four Souls." But demons beware...the smallest shard of the Shikon Jewel can give the user unimaginable power.
