Shame they aren't doing more of these By Customer The invincible universe is really well thought out especially considering there's only one ongoing for it. It's a shame this series hasn't gone on, it was a lot of fun. If you like the Avengers, this is twice as good. 0 of 0 people found the following review helpful. Like the art work By Customer The first trade paper back, the art work reminded me of the walking dead. But

with this one it took on a look of a more mainstream comic book, and I loved the look. Hope the art and the writing keep being great I can't wait to read the next one. 0 of 0 people found the following review helpful. Five Stars By Ed Dube All good.
