We get to read about rex and Amanda in another universe, and how rex is kind of a butt head. But the story is kind of blah.0 of 0 people found the following review helpful. walker returns!By Christopher swannGreat book! Its always nice to see Walker step back into this series! The story was great.

Im a big robot fan and just know he will someday turn into invincibles greatest adversary ever!0 of 0 people found the following review helpful. Five StarsBy SpencerGreat book. Perfect condition

The new Invincible will not back down, will not give in, and he's not going to play nice! What happens when Mark Grayson isnt happy with his replacement? Collects issues #91-96 of the greatest super hero comic in the universe!
