Continues to be the best seriesBy Big JohnsonInvincible is the best comic book series published today. This volume however, isn't the best volume but an average - above average volume of invincible is better then mostly any other series. There were interesting twists and the reveal at the end certainly makes for possible complicated and

interesting future scenarios for Mark and everyone else. if you've been reading up to this point then you know how great this series is and it's a no brainer to purchase this. If you haven't started reading Invincible yet well.. what are you waiting for?? 10 of 0 people found the following review helpful. This trade rocks By DeathSpiral This trade rocks. A great thread with Dinosaurus that keeps you guessing throughout.

Mark Grayson's entire life as a superhero, all he's learned, all he's endured, it's all been leading to this one moment. Will he become the hero he was meant to or will he choose... a DIFFERENT path?
