Robert Kirkman : Invincible Volume 20: Friends before purchasing it in order to gauge whether or not it would be worth my time, and all praised Invincible Volume 20: Friends:

0 of 0 people found the following review helpful. Robot rules By Reviewer from TerraMark as usual is in trouble, only now it's global. His dad and his people are sitting this one out, and violence rules the earth. As usual with invincible, blood is shed and a bit of the old ultra violence runs amok. 3 of 4 people found the following review helpful. Return to

formBy CustomerI haven't been a big fan of Robot's swerve to the dark side or the many stupid things Invincible himself has done of late but barring that, Robot's attempt to takeover the Earth was very well done. There's a cool Godfather like homage as his many Robots go around taking down the opposition. The alternate dimension storyline was also nicely pulled together. I hope we get to see how that version of Robot is doing since the outcome somewhat parallels what's happening in the main dimension. We also get the many things that make Invincible unique among mainstream superhero comics, surprising levels of bloodshed, limbs being ripped off, the death of some well liked characters, and something I don't think we've seen before outside of indie fare, a woman raping a man (no graphic nudity but there's no doubt as to what's happening). I'm curious whether this will be considered controversial - though the rapist is hardly shown to be a good person, still. Given where the book leaves off, I'm not sure where it will go. Usually superhero universes stay very close to our own despite the incredible technology and abilities of the heroes, everything else is mostly the same to keep it relatable. I don't see how that can happen here so I'm curious to see where Kirkman takes it. 0 of 0 people found the following review helpful. Great comic! By K4Invincible is a great book! I think its better to read TPB of the comic.

A new beginning for Invincible as things take a turn down a dark path. Everything changes as Invincible is betrayed by one of his own. You wont want to miss this volume! Collects Invincible #109-114.
