**Marvel Book Group : Iron Man Read-Along Storybook and CD** before purchasing it in order to gage whether or not it would be worth my time, and all praised Iron Man Read-Along Storybook and CD:

Billionaire inventor, Tony Stark, always put himself first until the day his inventions were used for evil. But when Tony tries to set things right, his inventions are turned against him. In order to survive, Tony invents and builds himself a high-tech suit of armor and promises to use this technology to help those in need as the Invincible Iron Man! Action-packed narration and thrilling sound effects add to the magic in this exciting storybook-and-CD set.
