Mark Waid : Irredeemable Premier Vol. 3 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Irredeemable Premier Vol. 3:

0 of 0 people found the following review helpful. Five Stars By Matthew Roe Great series! 0 of 1 people found the following review helpful. This story is a blast. By Robert B. Rogido Great storytelling that goes unexpected places. You won't regret picking this up. 1 of 1 people found the following review helpful. The story is losing its tight focus and wandering in odd directions. By Joseph M. Reninger The Plutonian's mad rampage of destruction has stopped now that his old partner, Samsara, is back from the dead. He doesn't realize that Modeus, his greatest foe, has secretly had

himself transferred into Samsara's corpse as a way to protect himself from Plutonian's wrath. What better hiding spot than in the faithful sidekick? Unfortunately, Modeus can't maintain the facade forever. Meanwhile, Plutonian's ex-teammates are still looking for a way to take him down. One member, Cary, has combined his powers with those of his dead twin-brother and now is as powerful as the Plutonian. He's reimagined himself as Survivor. When the team discovers a plan to remove the Plutonian that actually works, Survivor takes on the role of world restorer. In his monomania to be the new greatest hero, he makes an awful lot of promises, like allowing super-powered criminals to help out in fixing the Earth, thus gaining a pardon for previous crimes. The planet may have traded one crazy ex-superhero for another. The story takes many wild turns and twists, some enjoyable, some smart, some disturbing, some disappointing. I still appreciate it enough to finish the story with volume 4 but I find it less and less recommendable.

The definitive collection of the Eisner Award winning series continues. Legendary comic writer Mark Waid (KINGDOM COME) takes superhero comics to the next level asking the question, What if the world's greatest superhero decided to become the world's greatest super villain? Don't miss the Eisner Award-nominated series that took the comic book industry by storm! Volume 3 of BOOM!'s original superhero series from comics legend Mark Waid! What happens to a world when a savior betrays it and who can stop it? A "twilight of the superheroes"-style story that examines the nature of good and evil from the writer of KINGDOM COME and EMPIRE!

About the Author A New York Times bestselling author, Mark has written thousands of comic books and graphic novels in his 28-year career. His award-winning graphic novel with artist Alex Ross, KINGDOM COME, is one of the best-selling comics collections of all time. He's written DAREDEVIL for Marvel Comics, IRREDEEMABLE for BOOM! Studios, and ROCKETEER: CARGO OF DOOM for IDW. Mark maintains a process blog at markwaid.com that is full of advice and discussion for experienced print-comics professionals and aspiring digital-comics creators.
