**Brian Michael Bendis : Jessica Jones: Alias Vol. 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Jessica Jones: Alias Vol. 2:

4 of 4 people found the following review helpful. Still goodBy Wonder CilantronCollects issues 11-15Issues 11-14: Jessica investigates the case of a missing high school girl who was rumored to be a mutant. All the usual anti-mutant sentiment comes into play.Issue 15: She goes on a date with Scott Lang (Ant-Man), after telling Luke Cage she already has plans for the evening. (They're acting as bodyguards for Matt Murdock, who the tabloids claim is

Daredevil.) This volume maintains the high quality of the previous volume. Fewer naughty words this time, I think. I recommend starting with that one. Note: they moved issue 10 to volume 3. This makes sense, as in issue 10 J. Jonah Jameson hires Jessica, and Jameson is also an important character in the issue 16-21 story. 0 of 0 people found the following review helpful. Bendis Brings Jessica Jones to Life! By Matthew D'Souza Brian Michael Bendis hits all the modern noir notes that he needed to continue to make Jessica Jones: Alias, Vol. 2 another great comic. Jessica feels more and more like a real person instead of a super hero character. Bendis proves he is not just a good writer, but an increasingly great one. Michael Gaydos' is still really nice and stylized to fit the hazier qualities of these stories. I find myself relating to these books exponentially more. The characterization is great and the narratives interweave into a lovingly crafted spiderweb of character arcs and cases. David Mack's covers are super gorgeous and stand out as always. Jessica Jones: Alias, Vol. 2 is a highly recommended indie comic from me. Enjoy! 0 of 0 people found the following review helpful. And now, for collages By James B. In Volume 2, Jessica Jones investigates the disappearance of a teenage girl from a small town upstate, and goes on a date with Ant-man. For some reason, the powers that be at Marvel decided to skip issue 10, but apparently that was stand alone issue that will be included in Volume 3. The plotting and characterizatin is exactly like it was in the first volume, warts and all. I'm still waiting to see Jessica do more than catch a lucky break to solve a case, but hopefully next time.

All she ever wanted was to be a super hero. But life had other plans for Jessica Jones. Now, the adventures of the would-be Avenger turned bitter superpowered private eye continue with two new cases. In "Rebecca, Come Home," Jessica travels to upstate New York to investigate the disappearance of a teenage girl rumored to be a mutant in a prejudiced small town - but a murder mystery and a drunken, ill-advised fling might complicate matters somewhat. And in "Raining Men," the hard-luck PI goes on a date with...the Astonishing Ant-Man?! COLLECTING: Alias 11-15

About the Author Brian Michael Bendis is an American comic book writer and former artist. He has won critical acclaim, including five Eisner Awards for both his creator-owned work and his work on various Marvel Comics books. Starting out with crime and noir comics, Bendis eventually moved to mainstream superhero work. With Bill Jemas and Mark Millar, Bendis was the primary architect of the Ultimate Marvel Universe, launching Ultimate Spider-Man in 2000, on which he continues as writer to the present day. He relaunched the Avengers franchise with New Avengers in 2004, and has also written the Marvel "event" storylines "Secret War" (2004), "House of M" (2005), "Secret Invasion" (2008), "Siege" (2010) and "Age of Ultron" (2013). In addition to writing comics, he has also worked in television, video games and film, and taught writing at Portland State University. He will begin teaching at University of Oregon starting in Fall 2013, and his book Words for Pictures will be out in Spring 2014 from Random House
