**Jim Henson, Brian Holguin** : **Jim Henson's The Dark Crystal: Creation Myths Vol. 1** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Jim Henson's The Dark Crystal: Creation Myths Vol. 1:

Jim Henson's *The Dark Crystal Creations Myths* available for the first time in paperback! Part one of a three-part graphic novel prequel series delving into the origins of the Skeksis, Mystics, Gelflings, the world of Thra, and *The Dark Crystal* itself. Spanning a time period from thousands of years ago to right up to the start of the original film, this graphic novel epic will tell the definitive origin of *The Dark Crystal*, under the supervision of The Jim Henson Company and *The Dark Crystal* concept designer Brian Froud.
