Jim Henson, Various : Jim Henson's The Storyteller SC before purchasing it in order to gage whether or not it would be worth my time, and all praised Jim Henson's The Storyteller SC:

1 of 1 people found the following review helpful. Tales to TellBy Suzanne R. CostnerGrowing up watching The Muppet Show, The Dark Crystal, and Fraggle Rock - it's hard not to be a Jim Henson fan. The characters and stories that came out of the Jim Henson studios were always entertaining. The tales in this volume are also entertaining and

often have a moral to them, as many of the greatest tales often do. Presented by a variety of artists and writers, each story has its own style, yet they work well together as a collection. The inspiration for the stories comes from diverse roots such as Japanese and Russian folk tales and French fairy tales. You may recognize many of them as old friends that have donned a new appearance, while others may be completely new to you. Familiarity doesn't matter though, you will enjoy them all. Perfect for readers of all ages and a feast for the eyes as well as the mind. 0 of 0 people found the following review helpful. Great! By fezman A wonderful continuation to the series. 0 of 0 people found the following review helpful. Five Stars By michael brooks Excellent read

Now in paperback! When people told themselves their past with stories, explained their present with stories, foretold the future with stories...the best place by the fire was kept for...The Storyteller! Archaia and The Jim Henson Company are proud to present all-new tales of fantastic wonder and extraordinary myth, as told from the tongue of The Storyteller and his loyal canine companion! Witness worded wonderment from a cavalcade of crafty creators, including Roger Langridge (The Muppet Show Comic), Marjorie Liu (Black Widow), Ron Marz (Green Lantern, Artifacts), Jeff Parker (Hulk, Thunderbolts), Jimmy Palmiotti Justin Gray (Jonah Hex), Jim McCann (Return of the Dapper Men), J.L. Meyer (Lady Pendragon), Tom Fowler (Green Arrow, Batman), Chris Eliopoulos (Pet Avengers), Colleen Coover (Spider-Man), Janet K. Lee (Emma), and many more!

About the Author Jim Hensen is best known for his work on the Muppets as well as his other creative works in story and film such as The Dark Crystal, The Storyteller, and Sesame Street. The humor and whimsy of his characters have continued to entertain generations of children over the past 42 years.
