Earth two, pitting the JL against the Crime Syndicate of another dimension, where Alexander Luthor is a good guy, is simply brilliant. When these two team up, it's as if they

have one brain. Just get it, read it and enjoy the excellent extras!0 of 0 people found the following review helpful. iconic says it all.By CustomerClassic, iconic these words don't begin to describe this entertaining story and the characters that inhabit Morrison's best and in my humble opinion greatest JLA story ever written. The art is nothing short of perfect. This is the stuff of comic book legends of the past and of the future.0 of 0 people found the following review helpful. The Justice League vs The Evil Justice LeagueBy Fred HallAfter I read Forever Evil I had to have more of The Crime Syndicate. This book gave me what I was looking for. The Justice League meets their complete opposites. And Superwoman in particular is a very interesting character. I loved every page.

They are the world's gravest super-villains: Ultraman, Owlman, Superwoman, Power Ring and Johnny Quick--the legendary Crime Syndicate of Amerika. Nothing has ever seriously threatened the global corruption they proudly enforce, but now a twisted mirror image of the CSA has arrived from the flip side of reality. Can anything stop this so-called "JUSTICE LEAGUE," or will the stable, perfect evil of the Earth 2 fall victim to the tyranny of law, righteousness and freedom?From Grant Morrison and Frank Quitely -- the New York Times best-selling creative team behind ALL-STAR SUPERMAN, WE3, BATMAN AND ROBIN, FLEX MENTALLO and New X-Men -- comes a graphic novel that pits Earth's greatest heroes against themselves.

"Earth 2 is a flawless example of a modern superhero story that forces you to think, while satisfying your urges to watch the bad guys get thoroughly pounded."Complex Magazine "The best that a comic book can be."Kevin Smith"There is no question that Grant Morrison has written a number of classic runs and that his professional rsum is somewhat staggering, but many superhero fans will point to his tenure on JLA as one of his best."Newsarama "Morrison established himself as a mainstream superhero writer with a blockbuster run on JLA."Rolling StoneAbout the AuthorGrant Morrison has been working with DC Comics for more than twenty years, beginning with his legendary runs on the revolutionary titles ANIMAL MAN and DOOM PATROL.
