reluctant hero. By Jack E. Holt, III What a strange book. Do yourself a favor read all the introductions. They are pithy, funny, and sometimes necessary. Each issue a different minor character in the book gives us an update of all the CRAZY things that are happening to Loki and the rest of Asgard. SPOILER ALERT! Loki is dead but reborn as a child. The World Serpent is killed. Thor is dead but reborn as a new hero from Vanaheim. Asgard on Earth is destroyed. Hell is on fire. Hela is on the warpath. The Valkyrie are ready for anything. Hela sends Loki a cute teenage 'assistant' named Leah who is absolutely-no-relation-to-Hela (wink wink). Wise-cracking hellhounds have a fight and then 7 hell-puppies. Then the hellhounds try to out-trick the trickster god, Loki Laufeysson. They can't trick the trickster. Loki Laufeysson tries to trick the Lord of Lies. How? He tells the truth. As only Loki can. Nightmare reigns. Then he doesn't. Then the nightmares go away. Damon Hellstrom-- the bare-chested Son of Satan with abs of steel-- flexes his muscles. Leah swoons. Loki grimaces. Volstagg -- the beer-bellied Warrior of Asgard -- saves the Universe and lives to tell the tale. Volstagg's children have an "old food" fight. Volstagg's wife thanks him for THAT. . . but forgives him anyway. and. . . It's just plain F-U-N. That's Asgardian for buy it. 0 of 0 people found the following review helpful. Easily one of my favorite sections of Marvel history. By K. Lindeman Easily one of my favorite sections of Marvel history! Kid-Loki is just adorable, you're going to love him! By Jeanie The artwork in here is diverse and lovely- as well as the writing. Lokis quips and antics will hit you right where it hurts!

Loki has been reborn as a child...but will he be Asgard's savior? Fear Itself looms, and the Serpent threatens Earth! The mortals' only hope is that Thor can fulfill an ancient prophecy, but the plan is doomed to fail without help from young Loki. The former Lord of Lies' only chance of success is to utilize all the skills of deceit that made him so hated in his past life...but will he find redemption or damn himself further? And in the war's aftermath, Nightmare is gathering enough energy to rule the world...and the mother lode is inside Loki's mind. Aided by an undead handmaiden and a demon puppy, Loki will risk everything on a scheme so crazy, it could only have been hatched by a god of mischief! COLLECTING: JOURNEY INTO MYSTERY 622-636, 626.1
