John Wagner, Alan Grant : Judge Dredd: America before purchasing it in order to gage whether or not it would be worth my time, and all praised Judge Dredd: America:

0 of 0 people found the following review helpful. Great crime noirBy T. Cue.This was a wonderfully unpleasant story, truish and quite original, that can stand alone without need for any prior experience with the series.1 of 1 people found the following review helpful. Judge Dredd is one of the best comic franchises in historyBy DiceThrowerJudge Dredd is one of the best comic franchises in history. America is a great example of a story set in the Judge Dredd world but with other characters really driving the story line instead of Dredd himself. Of course he makes his appearances but its the other characters that really drive this one into five star category. Its a good read!1 of 1 people found the following review helpful. Amazing story! Great art!By ossimanI have been following Judge Dredd for decades ever since the

70s. This story is faithful to old times but takes on new depths and really develops characters. Writing is excellent, art is great. Story is top notch. This is one of the greatest JD books I've ever laid my hands on.

The classic Judge Dredd story in a US edition for the first time! IN MEGA-CITY ONE, THE JUDGES ARE THE LAW acting as judge, jury, and executioner. But how do the citizens really feel about a system where they are powerless? America Jara and Bennett Beeny grow up as best friends, living a fairly trouble-free life in a dangerous city bar the odd encounter with a Judge. Time draws them apart, and when they are brought back together, Beeny is a successful singer and America has become involved with a terrorist organisation with the Judges in its sights! Written by John Wagner (A History of Violence) with art by Colin MacNeil (Judge Dredd: The Chief Judges Man) this dark and complex tale is a true 2000 AD classic!

About the Author With over 300 2000 AD stories to his name not to mention over 250 Daily Star Judge Dredd strips Alan Grants prolific creative record speaks for itself. He is wellknown to Batman fans following a lengthy run on various incarnations of the title. More recently he has adapted Robert Louis Stevensons classic novels Kidnapped and Doctor Jekyll and Mr Hyde in Graphic Novel format with artist Cam Kennedy.
