**John Wagner, Pat Mills : Judge Dredd: Case Files 01** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Judge Dredd: Case Files 01:

3 of 3 people found the following review helpful. This is not the Dredd you want it to be, but don't be dissuaded...By Aonaran This is, quite honestly, not the Dredd you want it to be. Most of the works collected in this omnibus show a starting point for Dredd, that eventually evolves into the Dredd you know and love. You see flashes of him in there, but for the most part he is shown as a satirical figure more equatable to a grim Dudley Do-Right than anything else. So why the high rating, right? The great joy of reading this earliest collection is you get to see the evolution of the character, as well as the origins of a good many characters that make appearances later and without a proper introduction you simply do not get the full flavor of Dredd. 1 of 1 people found the following review helpful. so when i

received case file's 01 it was amazing to see this character come to life. By Francisco I've been a fan of Judge Dredd for some time now, so when I received case file's 01 it was amazing to see this character come to life. The art in this volume reminds me of the comics in the newspaper. Great short stories add lore to the already exciting universe that is Dredd. Great read for any judge fans. 0 of 0 people found the following review helpful. Dredd sure means business. By B Brunson I have been a Dredd fan for a long time, this graphic comic book is epic. Dredd mean business when upholding the "law" in the 21st century. I will continue to buy the other case files of Judge Dredd. You should check it out.

The iconic character Judge Dredd finally received the graphic novel platform he deserved in the Case Files editions. Since 1977, one man has dominated the British comic scene. He is judge, jury and executioner; a merciless far-future lawman delivering justice with an iron fist on the mean streets of Mega-City One. He is Judge Dredd! US readers can discover the roots of this legendary character in this vast, a thrill-packed series of graphic novels, which collect together all of Dredd's adventures in chronological order.

About the Author John Wagner is the co-creator of Judge Dredd, Strontium Dog, Ace Trucking Co. and Button Man, amongst many others, for 2000 AD. His graphic novel A History of Violence has been adapted into a critically acclaimed hit film by David Cronenberg. Brian Bolland is one of the most celebrated artists in the Western comics industry. His iconic work on Judge Dredd included the co-creation of one of the character's most notable foes, Judge Death. Brian is best known to US readers for his ground-breaking work with writer Alan Moore on the one-shot Batman: Killing Joke graphic novel.
