However, it's the jaw-dropping painted work of Greg Staples that makes this book a total home run. Each panel is filled with such exquisite detail, lighting and action you'd think you were watching a high budget action film instead of reading a comic book. A must-have not just for Dredd readers, but for fans of the genre. 1 of 1 people found the following review helpful. The Offering By Anthony Hewlett Excellent! John Wagner certainly had a lot more to offer, of the Dark Judges, which was presented extremely well in the Artwork by Greg Staples. With full credit to the Annie Parkhouse who lettered. Certainly another 'GREAT' Dredd Classic. Certainly value for money, for the Read, the Artwork, the Book Quality the Service. Now a prize piece, in my current Hardcover Graphic Novels Collection. Can Judge Dredd and Psi-Judge Anderson possibly stop the Dark Judges from attempting to destroy Mega-City One again?

About the Author John Wagner co-created Judge Dredd, as well as a host of other series, including the critically-acclaimed Button Man. Wagner has worked extensively beyond 2000 AD, writing many American standards, including Batman, The Punisher, Lobo and Star Wars bounty hunter Boba Fett. Both Dredd and his graphic novel A History of Violence were made into hit films. Greg Staples is an acclaimed artist, whose fully painted illustrations has won enormous praise over the past twenty years. This is the first time a complete graphic novel has been solely illustrated by Staples, for whom the project has been a labor of love lasting years.
