John Wagner, Alan Grant : Judge Dredd: Destiny's Angels before purchasing it in order to gage whether or not it would be worth my time, and all praised Judge Dredd: Destiny's Angels:

The Angel Gang are a group of outlaw, redneck hillbillies who, with Judge Child on their side, are out to get revenge on Dredd for the murder of one of their psychotic relations. This book also contains two tales featuring Mean Machine on his birthday and on his way to the altar.
