Keith Giffen, J.M. Dematteis : Justice League 3000 Vol. 1: Yesterday Lives (The New 52) before purchasing it in order to gage whether or not it would be worth my time, and all praised Justice League 3000 Vol. 1: Yesterday Lives (The New 52):

shape I realised it was essential to have flaws in the overall make-up to create a completely new dynamic, else it would have been boring! Without saying too much, the future is portrayed with enough "unknown-in-21st century" technology to add to the allure of not knowing what direction the storyline could be going. And as I suspected.....when volume 2 was issued, the fun really started, yeah!!!!0 of 0 people found the following review helpful. Great in Theory but Falls Flat for MeBy zaguirreIts a great idea in theory but the story just didn't work for me. I was hoping for a "clean slate" type story where anyone could jump in and enjoy it but i think you have to know the history of each character to get the joke here. Art is decent but the story just fell a little flat for me. I will not be picking up volume 2.0 of 0 people found the following review helpful. So FunnyBy HNow this is great comic book humor at it's best. Better than the Inferior Five (if you can remember that old comic or The Maniaks).

In the far flung future in the year 3000, the Justice League still exists and they're more familiar than you could imagine. Superman, Batman, Wonder Woman, The Flash and Green Lantern comprise the League, but how is it that a millenia from now, these heroes could still exists? JUSTICE LEAGUE 3000 VOL. 1: YESTERDAY LIVES is a new series starring the heroes of today--tomorrow from the classic Justice League writing team of Keith Giffen and J.M. DeMatteis with legendary artist Howard Porter (JLA).Collects JUSTICE LEAGUE 3000 #1-7.

"It has a clear voice and defined style that allows it to stand apart from the pack while still feeling like it belongs next to all of the other DC comic books."IGN"JUSTICE LEAGUE 3000 is a great way to give a much-beloved creative team free reign."Newsarama About the AuthorKeith Giffen has provided plotting, scripting, artwork, or any combination thereof for titles such as ALL-STAR COMICS, LEGION OF SUPER-HEROES, RAGMAN, CREEPER, LOBO, SUICIDE SQUAD, The Defenders, Hero Squared!, and, um...AMBUSH BUG.
