Bryan Hitch : Justice League of America: Power Glory (Jla (Justice League of America)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Justice League of America: Power Glory (Jla (Justice League of America)):

0 of 0 people found the following review helpful. No more pain, hunger, or suffering. Just worship Rao... and some

years off your lifespan?By Keiji MExcellent story... BUT without giving spoilers the ending is rather abrupt and it seems like it had at least another issue or 2 worth of action and resolution to be complete. The series had the misfortune of starting at the tail end of the New 52 era(DCYou) and the writer also being brought over to the main Justice League book for Rebirth. I remember reading the series as it came out it had many delays and by the end Hitch was working more on JL Rebirth than just wrapped up the JLA plot quickly while carrying over some minor plot points. But the story itself the mere concept of RAO and what he represents is great. Its 8 issues of excellent writing and a final issue of quick mediocre wrap up. Its worth buying all things considered.1 of 1 people found the following review helpful. The story was amazing! I'm a huge superman fan and when I ...By Thomas R. SoteloThe story was amazing! I'm a huge superman fan and when I picked this comic up and found out who the "villain" of the story was I was more than delIghted to see Kal's ancient history broght to life in the form of their Sun God, but was truly disappointed to come the end conclusion that the Writers and Artists didn't even finish the story! Instead, took some elements (the infinity stones), and placed the characters surrounding that element in a different storyline for the Rebirh issues of the Justice League. YOU SHOULD HAVE FINISHED THE STORY0 of 3 people found the following review helpful. Could have been better.By gjThe story was choppy and didn't really make a lot of sense. It would be going along then all of a sudden the issues would be resolved.

It seems that Superman is fated to dieand with him, our world. But a new hope appears Rao, the god who brought about Kryptons golden age of enlightenment. With Superman vouching for him, Rao and his acolytes are healing the sick and converting the doubtful. But all is never as it seems. At the moment of Raos arrival, the Justice League was scatteredWonder Woman pulled to Olympus, Green Lantern sent reeling through time, Aquaman dealing with a crisis in Atlantis. With Superman by Raos side, only Batman and Cyborg remain to find the truth. The world needs the Justice League. But can even the Worlds Greatest Heroes hope to defeat a god with the powers of Superman? Bryan Hitch (THE AUTHORITY, The Ultimates) makes his triumphant return to the DC Universe, writing and drawing the Worlds Greatest Super Heroes with stunning colors by Alex Sinclair (GREEN LANTERN) and inks by Daniel Henriques (GREEN ARROW). JUSTICE LEAGUE: POWER AND GLORY collects JUSTICE LEAGUE OF AMERICA #1-4, #6-10.

About the AuthorBryan Hitch is a comic book artist and writer, best known for his time at both DC Comics and Marvel. Hitch's widescreen action panels and dynamic action sequences have made him one of the most sought after artists in the industry. In his career, he's worked with some of the most renowned writers in the industry on several groundbreaking titles, including Warren Ellis (THE AUTHORITY), Mark Waid (JLA), Mark Millar (Fantastic Four and The Ultimates), Ed Brubaker (Captain America) and Brian Michael Bendis (The Age of Ultron).He is currently writing and illustrating JUSTICE LEAGUE OF AMERICA.
