8 of 9 people found the following review helpful. Justice League vs Power RangersBy Kindle CustomerThis is a pretty fun and pretty cool comic. Its an odd idea to crossover DC characters like Batman and Superman with the Power

Rangers but how they crossover where the power rangers are within the DC multiverse is cool, interesting and makes more sense. And just about everything in this first comic/issue is cool and if you're a fan of both Power Rangers and the Justice League, you'll enjoy this. 4 of 4 people found the following review helpful. Its team-up time! Two of pop cultures greatest teams collide in the graphic novel you thought youd never see in JUSTICE LEAGUE/POWER RANGERS! The Justice League have never met heroes like these teenagers with attitude before! When a teleporter accident brings the Mighty Morphin Power Rangers from Angel Grove to Gotham City, Batman isnt sure what to make of these masked martial artists and their highly suspicious giant robot dinosaurs. Its time to call in the DC Universes greatest heroes the Justice League! But the League and the Rangers will have to get over their distrust quickly, because the fate of two worlds is on the line! When the Power Rangers crossed between worlds, they werent alone Lord Zedd came with them. And when Zedd meets Brainiac, neither the DC Universe nor the Rangers home Earth is safe. But when these two mighty teams join forces, they morph into a fighting force like neither world has ever seen! Writer Tom Taylor (INJUSTICE: GODS AMONG US) and artist Stephen Byrne (GREEN ARROW) bring together the classic Power Rangers lineup and the greatest superheroes of the DC Universe in this crossover sensation. Collects JUSTICE LEAGUE/POWER RANGERS #1-6.
