Pick this up NOW!By LeafNo spoilers:This series has become DARK. Yet, not without reason. Those who have caught up to this point-have read 14-will know immediately what I mean when I say that the tone has changed. If it weren't for Nanami, I don't know how we would be able to make it through alive. The book is GOOD don't mistake me.Nanami is stuck in a dangerous place in the past, where she is trying to save Tomoe.

Her efforts are valiant, and her will gets her as far as she needs, yet she is still a human and this fact is not overshadowed by her Tochigama status. Feudal Japan is barbarous. Yokai are fearsome, and Tomoe is who is nature is. His friend, the infamous Akura-Oh, is a spiteful, prideful ogre who must have Tomoe by him constantly. He obviously plays an even bigger role in the series than anyone could have imagined. Yukiji is.....yeah....I can't spoil this. If you have read 14 though, you probably understand what I am implying. I like her, but she seems to have other motives. That look she gave Nanami in 14 when she took a look at her face seemed very peculiar. I don't understand how Tomoe fell in love with her, or that she even let him close to her like how he recalls. Did Nanami change something already?? I fear for Nanami. I want the best for her and everyone at the Shrine. But this is not going to be easy. I am blown away by how Julietta Suzuki is handling this arc. She wraps up everything but not too soon, and her foreshadowing is clever. I honestly have no idea what is going to happen next and I can't wait for volume 16!!!! 0 of 0 people found the following review helpful. Love love love this series By Kaiya_Britannia Love love love this series. The anime didn't do it justice. Have been with this series since the beginning and I still love it. I try to preorder the crap out of this series, always want to read more. Romance comedy suspense fantasy love her artwork style This is honestly a book series I could never give up 0 of 0 people found the following review helpful. Five Stars By Giang Tran Item arrived on time and was exactly as described :)

Nanami Momozono is alone and homeless after her dad skips town to evade his gambling debts and the debt collectors kick her out of her apartment. So when a man she's just saved from a dog offers her his home, she jumps at the opportunity. But it turns out that his place is a shrine, and Nanami has unwittingly taken over his job as a local deity! Nanami has gone back in time in order to find the fallen kami who cursed Tomoe, but the past is a lot more violent than she expected. Before she can even start her search, she has to deal with suspicious villagers and a mortally wounded Tomoe!
