**Julietta Suzuki : Kamisama Kiss, Vol. 17** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kamisama Kiss, Vol. 17:

Another brilliant edition of this wonderful seriesBy KrissI started reading this manga (which I still think of as Kamisama Hajimemashita, I've never been fond of the English title at all, but I understand why they did it) in the form of fan-translated scans in 2009 and have followed the series ever since. You can imagine that I was thrilled when I found out Viz media was going to publish it! I've been buying the volumes every since.In this edition, the time travel arc is wrapped up beautifully with all the little hints of Tomoe's past we saw

in earlier volumes being answered for the most part, and the author beautifully works the story to weave together elements of the present with the past. There's a lot happening in this volume! This has been one of my favorite series. I love the artwork, the characters, the setting, the storyline, the mixture of genres is lovely, I especially love all the traditional Japanese images and themes, there's nothing quite like Japanese mythology and folklore to make for an amazing, unique story (at least to us in the west)! It has a very good mix of emotion, drama, action, comedy, romance, and it's kept my attention for over six years! I buy each volume in English as it comes out to show my support for this amazing series and I hope this series will continue for a while! Since this volume is so far up in the series, it's hard to talk about specifics of the story without dragging so much of the other volumes and story into it, but whether you're a returning from-the-start fan like I am who's read all 16 up to this point (and then some; I read fan scans/translations of the monthly magazine release) I recommend continuing to read, because this volume is just as lovely as all the others (if not more so! I've especially loved the later volumes, the story has gotten better and better with each new chapter) and it's worth the investment to own all 17; the mangaka is amazing and is totally deserving of every cent and then some for her beautiful artwork and story! And as for anyone curious about this series and wants to start reading... I recommend it 100%!

By Kat  
This is the manga that wraps everything up. No, it's not the last, but we finally understand the story of Yukiji and Tomoe (and Nanami's involvement). I won't give away any spoilers, but this manga is a must have. We finally get the happiness we've been waiting for as readers, and I couldn't be more pleased with how Suzuki has tied everything together in this manga series. If you're thinking of picking up this manga series, don't delay. This is the best manga series since Fruits Basket!

By Lexi  
I love this sweet series and how it's developed over the years. It's a warm fuzzy I love to dig into and relax. The artwork is cute and quirky, the storyline gentle and heartfelt. A great contrast to some of the adventure manga I also love. Not that it doesn't have a bit of excitement in store for readers, but this one is more slice of life paranormal and perfect for cuddling up on a cool fall evening!

Nanami Momozono is alone and homeless after her dad skips town to evade his gambling debts and the debt collectors kick her out of her apartment. So when a man she's just saved from a dog offers her his home, she jumps at the opportunity. But it turns out that his place is a shrine, and Nanami has unwittingly taken over his job as a local deity! Nanami has finally found the fallen kami who cursed Tomoe, but before she can rush home to save her beloved shinshi, she must watch the past unfold. But how will her relationship with Tomoe be affected by her standing witness to the torments he and Yukiji suffer?!

About the Author  
Julietta Suzuki's debut manga *Hoshi ni Naru Hi* (The Day One Becomes a Star) appeared in the 2004 *Hana to Yume Plus*. Her other books include *Akuma to Dolce* (The Devil and Sweets), *Karakuri Odette*, and *Kamisama Kiss* (Kamisama Hajimemashita), which is published by VIZ Media.
