Julietta Suzuki : Kamisama Kiss, Vol. 9 before purchasing it in order to gage whether or not it would be worth my time, and all praised Kamisama Kiss, Vol. 9:

3 of 3 people found the following review helpful. It's home from work Nanami goesBy LaurahonestThe kami convention is over! Nanami proved herself to be capable and helpful to the other gods. Now Nanami and her familiars must return home. Nanami's classmates rope her into a singles mixer and the boys follow her to spy! There might be a

misunderstanding or two happening here! Nanami's helpful nature is getting her involved in things again! She helps and young tengu and discovers that her friend Kurama's home is in trouble. Nanami sets out to help her friend but she may do more damage than good! Girls aren't allowed to set foot on the tengu's sacred mountain. Can she help her friend? This is a nice light entertaining read. Even if you are cheering for the leads to get together you can't help but laugh when things go wrong for their love life! If you enjoy supernatural romances then you should definitely check this series out! 0 of 0 people found the following review helpful. Five Stars By Giang Tran Item arrived on time and was exactly as described :) 0 of 0 people found the following review helpful. I have been reading this series and loved the anime By AngelFire I have been reading this series and loved the anime. The manga is a little different from the anime but it was definitely worth the read for me.

A divine comedy! Reads R to L (Japanese Style), for audiences rated teen. Nanami Momozono is alone and homeless after her dad skips town to evade his gambling debts and the debt collectors kick her out of her apartment. So when a man she's just saved from a dog offers her his home, she jumps at the opportunity. But it turns out that his place is a shrine, and Nanami has unwittingly taken over his job as a local deity! Nanami may have been (begrudgingly) accepted by the other kami at Izumo, but that doesn't make her any less human or help her deal with her growing feelings for Tomoe. Should she be true to her heart or cut Tomoe loose for his own good? Either way, getting dragged into a group date isn't going to help matters at all!
