Kimi ni todoke: from me to you vol 11 By Michael in San Rafael I chose this rating because I liked how they're still friends and really good friends but I want the relationship between them to go further. I liked how Sawako's friends still like her and how Pin isn't involved too much. I disliked how all the girls are still getting used to Sawako getting the guy they liked and that they don't believe it until they see it. I recommend this book to people having trouble with their friendships. 0 of 0 people found the following review helpful.
