Also the college counseling is still going strong and Pin is giving good advice to each one of them. What does the future hold for each one of them, and where will they go? The future is calling and this story shows that all of them are taking their last year seriously. This shows they are maturing and feeling out their lives. The book series has come a long way from volume 1 to volume 21. Can't wait to see what the next book in the series has to tell.0 of 0 people found the following review helpful. Great seriesBy natbrojorGreat book. My daughter loves it.

Sawako Kuronuma is the perfect heroine...for a horror movie. Nicknamed "Sadako" after the haunting movie character, everyone is afraid to come near her for fear of being cursed. But her whole life changes when she befriends the most popular boy in class, Shota Kazehaya. Spring is in the air, but doubts about the future bloom along with the flowers for Sawako and her friends. A bright spot in this season of worry is White Day, where the boys return gifts for the ones they received on Valentines Day. Kazehaya has a very special gift in store for Sawako!
