Can advice from her friends and a very unlikely source help her make the right choices, or will she still be afraid to look forward to the future?This one Ayane takes the stage. Usually she is in the background, supporting and offering assistance so I am glad she has had the

chance to shine in her own way. As the year slowly reaches to its end, what can we expect for our favorite group of high schoolers? I cannot wait for the next one to come soon.0 of 0 people found the following review helpful. Four StarsBy Nichole BellowA fun series and a quick read.0 of 0 people found the following review helpful. its one of those stories where you feel like you know the charactersBy KizzyThis manga has made me laugh and made me cry, its one of those stories where you feel like you know the characters, you can understand what they are going through, maybe unless you are one of those people that can't hold things in, then maybe you can't completely understand.

Sawako Kuronuma is the perfect heroine...for a horror movie. Nicknamed "Sadako" after the haunting movie character, everyone is afraid to come near her for fear of being cursed. But her whole life changes when she befriends the most popular boy in class, Shota Kazehaya. The future is on everyones minds, and Yano and Kento are feeling the anxiety of losing each other as they hit a crossroad in their relationship. Tensions rise as Yano seriously thinks about her own future for the first time. Will she take the easy route and stay with Kento, or will she follow her dreams and go to university in Tokyo without him?
