The two really begin learning about each other and what it means to be a couple, right up to when Sawako's Mom sees them holding hands. Then it's the fun of meeting her parents and the father grill that most teenage boys should go through before getting serious. Then its the

story of how Chizu and Ayane met, and they did not start out as close as they did - but with a little help from a certain spooky girl they get to know each other. This is one of the milestones i was hoping to read. I just finished the anime and just got to this one in the manga form. I loved her fathers reactions to meeting his little girls' beau and the back story of two other favorite characters. I wish they would start a new season of the anime, because i really think watching this would be hilarious. 0 of 0 people found the following review helpful. AdorableBy SashaHeartwarming series. The characters, the progression of their relationships, and sweet Sawako and Kazehaya. Seriously one of my favorite manga and stories ever. 0 of 0 people found the following review helpful. TRUE LOVE STORYBy lord aizenI know there are a lot of great romance series out there! However, I think this one touched me more.. I really wish they extended the anime.. but that's just me I guess. I just really like how sawako sounds.. everything about her is prefect to me... She's the exact representation of my soulmate whom probably doesn't exist such a great love story.. I kind of see this anime as a legacy to fulfilling something I never had..

Sawako Kuronuma is the perfect heroine...for a horror movie. Nicknamed "Sadako" after the haunting movie character, everyone is afraid to come near her for fear of being cursed. But her whole life changes when she befriends the most popular boy in class, Shota Kazehaya. Its been one year since Sawako and Kazehaya confessed their love to each other. With their last high school festival approaching, Sawako gives it her all to make it the best one ever. Meanwhile, Kazehaya seems to be overworking himself
