But who knows what the author of the series has to do. The book is written beautifully and the art is awesome.0 of 0 people found the following review helpful. Just keeps getting betterBy Charles Maddox Jr.A great volume, focusing on the relationship of Sawako and Kurumi, and full of character

development and answers to a few story questions. 0 of 0 people found the following review helpful. Especially Great If You Watched the Anime By Sasha This is such an adorable romance series. One of my favorites. I started reading the manga since the anime only had 2 seasons.

Sawako Sadako Kuronuma is the perfect heroine for a horror movie. With her jet-black hair, sinister smile and silent demeanor, Sawako Sadako Kuronuma always had trouble fitting in. But her whole life changes when she befriends the most popular boy in class, Shota Kazehaya. Can love trump her cursed life? Kazehaya and Sawako are still in the middle of their first fight. Summer vacation has begun, and Sawako decides to pursue her plans with Kurumi and holds a study session at her house. Will Kazehaya and Sawako be able to make up with each other even though neither of them is willing to talk?
