**Aya Shouoto : Kiss of the Rose Princess, Vol. 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kiss of the Rose Princess, Vol. 1:

0 of 0 people found the following review helpful. This story is good and I like the knightsBy Maria CazanisThis story is good and I like the knights, but Anise has a bit of problems with the way she handles things. She is flimsy, stuck up and at most times in the story a brat. She does not understand love which is why she is soo in unwilling to end up with one of the knights She is suppose to be a main character who you are suppose to identify with. I hate the way she treats

the knights, she treats them like her bitch, always harassing the knights spacing out over every little thing. Their are no responsibility with her character in the slightest! I don't like her relationship with the Kanade at all. I just don't get why she is soo infatuated with the Red rose!!! Mastuki is only knight who knows what to do in situations and he is stern and calm! Anise is suppose to be a the protector of this world yet she is soo stuck up and unwilling to understand anything!!!!!! Just kiss of the knights you idiot!0 of 0 people found the following review helpful. Too funny!By MarionOkay I read this expecting some kind of cute fluffy thing. Boy was I wrong! It may be cute but it is so funny! For most of this I was either laughing or going awww. The characters are cute and funny. Not to mention extremely extremely weird sometimes which also makes it funnier. I will definitely be reading more of this.0 of 0 people found the following review helpful. I really liked it!!By Courtney WilsonI was hoping for Kaede to start showing feelings for anise or the black rose guy. I like either one of those guys. :)

Anise Yamamoto has been told that if she ever removes the rose choker given to her by her father, a terrible punishment will befall her. Unfortunately she loses that choker when a bat-like being falls from the sky and hits her. Anise is granted four cards representing four knights whom she can summon with a kiss. But now that she has these gorgeous men at her beck and call, what exactly is her quest?!

From School Library JournalGr 7 UpAnise's father gave her a rose choker and told her that if she ever removed it she would face a terrifying punishment. But wearing it draws unwanted attention as she is constantly reminded that she is violating her school's dress code. When the choker mysteriously disappears, the teen receives several magical cards, each one able to summon a knight who has the power to help her. These knights happen to be boys at her school, and each one is attractive in a different way. Some of them don't want to listen to her, while others like being bossed around, and when they talk to her in school it brings even more unwanted attention. The protagonist evolves as she begins to see each of the boys differently and discovers their hidden strengths and flaws. What is not completely clear in this volume is why these boys need to protect this "rose princess." However, there are hints that in future volumes Anise will face several challenges, in the form of a demon lord and her angry father. Shouoto's traditional manga-style drawings are filled with windswept energy that help propel the story forward. There is a lot of crashing action, and panels teem with objects in motion, from wild, flying hair to dramatically falling rose petals. Fans of fantasy/romance manga will enjoy this book and will look forward to future installments to learn more about what happens to Anise and her knights.Andrea Lipinski, New York Public LibraryAbout the AuthorAya Shouoto was born on December 25th. Her hobbies are travelling, staying at hotels, sewing and daydreaming. She currently lives in Tokyo and enjoys listening to J-pop anime theme songs while she works.
