**Natsumi Ando, Miyuki Kobayashi : Kitchen Princess Omnibus 3** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kitchen Princess Omnibus 3:

0 of 0 people found the following review helpful. great seriesBy Kindle Customerif you're new to manga, this is a great place to start. it has a really wonderful story (though I notice the 4th and final volume isn't available in the ebook yet. I don't know why. I have the ebook from for the 1st- 3rd volumes and the actual physical copy for the final volume.) they are all amazing. the 3rd volume includes a huge surprise which might upset some readers. it did seem a bit off kilter with the flow of the story and really surprised me, but I still thought the story was able to continue nicely

and revived the story well after the surprise. I would highly recommend this to everyone who likes manga or who just wants to give it a shot. it's my favorite manga ive read. the English is perfect and the drawings really are beautiful. wish I could find more ebooks by this author!2 of 2 people found the following review helpful. Fun for pre teens and up!By fruitsnacks77This one of the best series of manga I've read. Both of my girls read it also and love it! It's age appropriate and if your looking for a book that has the innocents of first love, family, friends, hard work, accomplishment, and learning to never give up on your dreams, then this is the book your preteens and you can enjoy. My own brother read it and thought it was good! :)0 of 0 people found the following review helpful. Five StarsBy ChrisCool!

**ROYALTY AND RIVALRY**Najika's replacement as spokesperson for the cooking school arrives at Seika Academy, and she is not too fond of him. Seiya is stuck up and rude, which would be easier to handle if he didn't look just like her past love, Sora! As their rivalry escalates, a competition is held between them and Najika must win to save her old orphanage, the Lavender House. All the while, Najika is working to unveil the mysterious truth about her Flan Princess and the Kitazawa brothers. But when old memories resurface, will Najika be ready for them?This omnibus contains volumes 5, 6 and 7 of Kitchen Princess, and special extras after the story!
