It is a pure and untainted love story with lessons to learn and cute characters to fall in love with. Maki Minami has some of the best story plots and some of the most compelling relationships where one cannot help but cheer on the character as they seek true love. This story is about a young spoiled princess

(who has a good heart) who learns to live in the real world and to appreciate the mundane. She is such a strong and likeable character who never assumes the worst in an individual. If Komomo was a real person, I would love to be friends with such a kind and honest person such as her. I highly recommend this story for those who liked the manga "Last Game" by Shinobu Amano. 0 of 0 people found the following review helpful. Five Stars By J.D. Brewer Great book. 0 of 0 people found the following review helpful. Hilarious and sweet! By Customer The adorable characters and funny storyline drew me in. I love the artwork as well. I highly recommend this series.

As a little girl, Komomo Ninomiya delighted in picking on Natsu Azumi, the son of her family's pastry chef. Ten years later, when the family fortune is lost and she has no place to live, Komomo encounters Natsu again in her hour of need. Now that Natsu is a master pastry chef in his own right, he'll help Komomo but only if she works for him at his new confiserie!
