A much anticipated series by the author, and I love it!By Bean-chanLove it. Minami-sensei is great! I love the art, and the writing! I love her other work, Special A, and I have waiting for more by her for a while now! This series is playful with a tiny dose of darkness. Bullying is a main theme to the story that takes different

forms. The characters seem to be on a path to resolve, and grow from their experiences on either side of the bully-fence, if you will. 0 of 0 people found the following review helpful. "They say that a good pair of shoes...will bring good encounters." VERY good second volume with a new love interest!By LeafHell yeah they do! Especially when they bring you this guy, Seto
