Maki Minami : Komomo Confiserie, Vol. 5 before purchasing it in order to gage whether or not it would be worth my time, and all praised Komomo Confiserie, Vol. 5:

5 of 5 people found the following review helpful. The last volume of a very nice seriesBy Robert FisherIt was just under a year ago that I bought the first volume of Komomo Confiserie. With this new volume, the series wraps up and it has all the charm that made the saga of Komomo so special. We see Komomo learning that her family's fortunes have recovered and she is expected to go back to the mansion prior to her wedding to a prearranged fiancee. As for Natsu, he seems in denial about just how deep his feelings for Komomo really go. We are shown scenes from

Komomo's and Natsu's early years, which tells us a lot about them. A romantic triangle forms, but without giving too much away, the ending is just perfect. Probably the best part of the series was watching how Komomo, once out of the cocoon of her family's money, emerged as a sensitive and caring young woman. Komomo Confiserie may not have been a huge title in the manga world, but this series can be highly recommended to anyone looking for a great romantic story. 0 of 0 people found the following review helpful. Still adore it By Isabel Hillock Davidson I loved this story so much.. The final development between them happened a bit too fast in comparison to the previous developments in the story but... That is life, I guess. Over all, very sweet (haha) and gotta say Komomo is still a boss

As a little girl, Komomo Ninomiya delighted in picking on Natsu Azumi, the son of her family's pastry chef. Ten years later, when the family fortune is lost and she has no place to live, Komomo encounters Natsu again in her hour of need. Now that Natsu is a master pastry chef in his own right, he'll help Komomo-but only if she works for him at his new confiserie! Both Komomo and Natsu are resolute in their stance that they are not in love with each other, even though everyone else around them thinks otherwise. Now that Komomo's fortunes and arranged fiancé have returned, a romance between a pâtissier and a princess seems even less likely. But Komomo is determined to pursue her own path in life when she realizes what she wants most.

About the Author Maki Minami is from Saitama Prefecture in Japan. She debuted in 2001 with Kanata no Ao (Faraway Blue). Her other works include Kimi wa Girlfriend (You're My Girlfriend), Mainichi ga Takaramono (Every Day Is a Treasure) and Yuki Atataka (Warm Winter). S.A and Voice Over! Seiyu Academy are published in English by VIZ Media.
