Michael Dougherty : Krampus: Shadow of Saint Nicholas before purchasing it in order to gage whether or not it would be worth my time, and all praised Krampus: Shadow of Saint Nicholas:

3 of 3 people found the following review helpful. The stories are great, the art is beautiful By Jo Hughes Krampus comes to punish those who do not have the proper holiday spirit. I'm 50% German, and this graphic novel depicts the boogie man german children know to fear before Weihnachten (Christmas). The stories are great, the art is beautiful, and I was very happy with the purchase. 1 of 1 people found the following review helpful. and nice expansions of the

movie. By Matt Whole, another ten or fifteen pages would have really fleshed this out, most of these vignettes are well done, and nice expansions of the movie. The art occasionally makes it hard to tell what's going on, which is unfortunate and is a big part of why I gave this three and not four stars. The other reason it didn't make four stars is that the amount of content just feels a little skimpy. We don't really get to know the characters, or much of anything new about the Krampus or his minions. Alcoholic vet mall Santa was great, though. I'd love to see him in a Krampus sequel if we get one. 3 of 3 people found the following review helpful. There's not much more I can say without giving this amazing book's story away. By D. Manning. Remarkable book! There's not much more I can say without giving this amazing book's story away! If you love the Krampus, this is a companion book, to the New Krampus movie coming out as it is from the same writer/director.

YOU BETTER WATCH OUT KRAMPUS IS COMING TO TOWN. Ancient folklore warns of a mythical counterpart to Santa Claus, who punishes naughty children every Christmas his name is KRAMPUS. Michael Dougherty presents the official graphic novel based on his festive horror comedy, which expands the mythology of this iconic terror with an anthology of three deliciously twisted morality tales that will leave you praying you are not on the naughty list. At the most wonderful time of the year, a drunken mall Santa comes under siege from some very mischievous Christmas spirits, a dysfunctional cop becomes trapped with the man who ruined his life and the wealthy town scrooge must face the shadows from his past as his home comes under invasion from the homeless. This Christmas, Krampus will make sure they all get what they deserve. Michael Dougherty, the writer/director behind cult horror hit *Trick r Treat*, is joined by a fantastic team of creators, uniting Krampus co-screenwriters Zach Shields and Todd Casey and artists Fiona Staples (*Saga*), Christian Dibari (*Hoax Hunters*), Maan House (*Witchblade*), and Stuart Sayger (*Bram Stokers Death Ship*) to deliver a twisted gift for the holiday season.
