**Brian Joines : Krampus!** before purchasing it in order to gage whether or not it would be worth my time, and all praised Krampus!:

2 of 2 people found the following review helpful. I was delighted to see Image release KrampusBy Wayfarer4With the sudden popularity of the old school German spirit of Christmas Naughtiness, I was delighted to see Image release Krampus!, first as a limited series, and now as a TBP. This collects the story about how all the Santas from around the world (As in every region, nation, or continent's take on the jolly old elf, from Santa Claus to Saint Nicholas to.. well,

any and all of them. Even a luchador Santa.) under attack by an unseen enemy that is bent upon taking their power. Forced to admit they lack the means to find and punish this evil doer, they release the punisher of naughty children to do their work. Der Krampus, armed with his bundle of switches, boundless combination of energy and mischief, as well as his steadfast flying wolf Stuttgart, heads out to work his way through the winter spirit underworld. No image of the holiday is too obscure to be a potential enemy or ally, from the Nutcracker to Jack Frost to Old Man Winter to Sugar Plum Fairies, and beyond. Our steadfast, yet unwilling, strongarm is sent out and travels the globe looking for who the evil doer might be, as well as how to escape from his parole with the Santas. If you like your comics off kilter, your heroes and villains stuck in a gray zone while promoting the virtues of naughty vs. nice, and your endings neatly left unwrapped and open for a future installment, this story is for you. 0 of 0 people found the following review helpful. Four Stars By B. E. Morrow great christmas story 0 of 0 people found the following review helpful. Krampus rocks By W. Taylor They take an obscure Christmas character and make him an unlikely hero. Worth a read and I might even get additional copies to give to my friends since this is such a unique story.

Meet the Krampus, yuletide terror and punisher of wicked children. Long imprisoned for his outdated methods, the holiday horror suddenly finds himself freed and tasked with a mission: recover the stolen power of the Secret Society of Santa Clauses! With his flying wolf Stutgaard, the Krampus crosses the globe, encountering various figures of winter lore and uncovering a sinister scheme to topple the Santas and change Christmas as we know it forever! Collects Krampus! #1-5 and extras, including all-new material.
