Kore Yamazaki : The Ancient Magus' Bride Vol. 2 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Ancient Magus' Bride Vol. 2:

2 of 2 people found the following review helpful. good things come to those who wait By Generic_SodaKore Yamazaki's artwork is simple but elegant, the inhuman designs of well-known figures such as Spriggan and Oberon being the highlights of the volume for me. There's definitely a mystical quality to the backgrounds that communicate clearly the influence of magic and fae in the story. Yamazaki clearly shows a lot of patience in getting all the small details down, which reflects perfectly the pacing of the story: patient. It's clear there's a lot more of this magic in the future, whether it's more details on Chise's "condition," Elias' background, the practice of magic itself, or the in-depth

mythology Ancient Magus' Bride draws inspiration from. I'd say the series is a bit of a slow boil, but as the old axiom says, good things come to those who wait. 3 of 3 people found the following review helpful. I've read it before and it's a great story. Slow pace but there's so much depth ...By TangI've read it before and it's a great story. Slow pace but there's so much depth into it. I give 5 star for the story but 3 for the shipping. primarily cause the book got damaged and considering these are still new releases there's no protective cover over them at all. 0 of 0 people found the following review helpful. Another good read. By Human Shield This addition gives us some more good story and some interesting character growth, as well as some interesting new characters and new supernatural creatures to learn about. The world is very engaging the artwork is nice and the characters are very interesting.

Great power comes at a price Chise Hatoris life has recently undergone shocking change. As a sleigh beggya person capable of generating and wielding tremendous magical powers she has transformed from an unwanted child to a magicians apprentice who has been introduced to fae royalty. But Chises newly discovered abilities also mean a cruel fate awaits her.

About the Author Kore Yamazaki is best known as the author and artist of The Ancient Magus' Bride.
