Marc Silvestri : The Art of The Darkness before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of The Darkness:

The Art of The DarknessBy Parka[[VIDEOID:mo2IBOQHAZSEO9G]]This large format paperback art book collects the art for comic series The Darkness. There are covers, card art, sketches and some concept art for the adapted game. The book has only 96 pages which is a bit thin but the beautiful artwork makes up for it. The cover art are gorgeously reproduced and printed huge. If you have other art books from Top Cow, such as Art Of Marc Silvestri or The Art Of Top Cow (recommended), you'll find some duplication of artwork here. The featured artists in this book are Dave Finch, Michael Turner, Whice Portacio, Joe Benitez, Marc Silvestri, Stjepan Sejic, Keu Cha, Eric Basaldua and Dale Keown. (There are more pictures of the book on my blog. Just visit my profile for the link.)

The best Darkness art by the biggest names in the business collected in an oversized format for art aficionados worldwide. No text, no ads. Just covers, pinups, video game development art, collectible cards, sketches and other rarely seen images of the Darkness. With one hundred issues and a decade of work to choose from, you can bet this is going to be stunning!
