**Nick Spencer : The Astonishing Ant-Man Vol. 1: Everybody Loves Team-Ups** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Astonishing Ant-Man Vol. 1: Everybody Loves Team-Ups:

2 of 2 people found the following review helpful. More like a Volume 2 By TheAceOfSkulls This is a great book, but there's a major caveat here: It's a sequel wearing a disguise, as opposed to an actual volume 1 of an All-New All-

Different storyline. Yep, turns out that the previous series before Secret Wars that only got one book (Second Chance Man) didn't get cut short by the temporary apocalypse after all. The book contains the prelude up to Secret Wars, so you pretty much transition directly from the end of the last book into the new universe seamlessly, and once it crosses that threshold it begins to hit a new stride, beginning to call up Scott's past, from his FF days to that offhand mention of Uber for Supervillains from the last book, as Scott unknowingly gets wrapped up in a lot of behind the scenes scheming by multiple parties, ranging from supervillain rivalries to secretly filmed reality television. Really, if you read Second Chance Man, you know what you're getting into and it's worth seeing this story continue, but if you haven't you're probably gonna be lost and the introductions aren't going to be as smooth, which is why this one gets docked a star. 0 of 0 people found the following review helpful. That killer app By Dan COr at least the app used by super killers. Scott Lang continues his struggle to keep his head above water. His security business needs clients. His love life is a mess. And his daughter hates him for being an absentee dad even though he needs to stay away to keep her safe. Nick Spencer does a great job of balancing the humor with writing strong characters. His Ant-Man lives in an interesting position of being a C list superhero while also having lots of important friends to team up with (it's easy to forget he was a member of the Avengers and the Fantastic Four - twice!). 0 of 0 people found the following review helpful. Five Stars By Harold Thurber all good

Scott Lang was a down-on-his-luck, divorced ex-con -- until he stole renowned scientist and super hero Hank Pym's size-altering technology in the hopes of saving his daughter's life. Through that act of doing wrong for the right reasons, Scott inadvertently learned how to be a hero himself. With Pym's blessing and his daughter Cassie at his side, Scott became... The Astonishing Ant-Man! But when a curveball upends Scott's life, will he continue to be a hero, or will he return to his former life of crime? COLLECTING: THE ASTONISHING ANT-MAN 1-4; ANT-MAN: LAST DAYS 1; ANT-MAN ANNUAL 1
