**Hotaru Odagiri : The Betrayal Knows My Name, Vol. 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Betrayal Knows My Name, Vol. 2:

6 of 6 people found the following review helpful. Another great volumeBy Jessie PottsI found myself torn at this installment. First it's not real Yaoi, while that doesn't in the least bit detract from this series being awesome, it hasn't gone in that direction yet. Second this volume had a ton of information being thrown at the readers. We see more about Yuki's past life and what it means to be the Light of God. Luka's shadowy past is only slightly revealed (the Demon Lord) and he remains ever faithful to Yuki. We also get to see more of the supporting characters and what they mean to each other and Yuki. I loved it!So why was I so torn? I really wanted something to happen between Luka and

Yuki or something (even a declaration) between the violent Hotsumi and level headed Shuusei. The readers are tempted with tiny hints that something is more between all of the Zweilts... Even the brother and sister, but we are given nothing more than hints. The same is true for Luka and Yuki... Luka and Yuki's previous life were lovers, but Luka is convinced that Yuki wished for the memories to disappear so Luka will not start anything. It's frustrating yet keeps the readers on edge the entire time. Now for the plot, it is a fantastic series and this volume is no exception. We learn more about the Zweilt, people get near killed, there's a maniac doll maker that kidnaps Shuusei, and we see the Zweilt partners in action. These volumes are also huge about 2 times the size of a regular manga volume, and worth the money. The third volume will be out in April of 2012 (boo) and I highly recommend starting this series if you enjoy violence, blood, action, angst, and maybe a hint of romance in the future. 0 of 0 people found the following review helpful. Five Stars By Patricia Rowell It's part of a series I collect. I needed this to complete the series. 0 of 0 people found the following review helpful. Five Stars By MistyLove the story and it sucks me in immediately!

Welcomed into the arms of the Giou clan and the Zweilt, Yuki reaches out to his comrades even as he is drawn into their war with the darkness. But the demonic Duras continue to spread their malevolence around Yuki, and the members of his new family are not impervious either, as one of their own vanishes without a trace and yet another is cornered by a sudden ambush. In the Zweilt, Yuki may well have found the long-sought-after place he belongs, but the enemy seems intent on stealing it out of his grasp forever. And when the shadowy figure of "Reiga," the nemesis of the Giou, finally steps into the light, will Yuki find himself utterly alone, crushed by the weight of the truth?

About the Author Hotaru Odagiri is a Japanese manga artist who started out on the boys' love side of Japanese comics. Among her works in this genre, *Only the Ring Finger Knows* and *Time Lag* were published in English editions, and the former was a top seller in the American market. Odagiri has been working on the ongoing *The Betrayal Knows My Name* since 2005.
