Tommi Musturi : The Book Of Hope before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book Of Hope:

0 of 0 people found the following review helpful. The Book of Hope is a majestically beautiful piece of artBy JasonThe Book of Hope is a majestically beautiful piece of art. It's imagery is breathtaking, it's depth unexpected.The comic book draws you in and makes reflect on your purpose in life.

This clear-line, saturated-color graphic novel introduces a Finnish master of the medium. In a way that only the medium of comics can, The Book of Hope slows the reader down to the rhythms of the silent life of a retired couple living in a rural countryside. Behind the static, routine moments of everyday life something bigger takes shape. A flash of encroaching death starts to consume the husband, leading to visions and questions. This graphic novel from cartoonist Tommi Musturi is a thoughtful exploration of the human condition, and the series of mostly quotidian moments that make up most of our lives. The strong presence of silence and nature reflect the arctic exotica of Musturis native Finland, but with a relatability, eloquence, and economy that will remind American readers of Chris Wares Jimmy Corrigan. The Book of Hope is a humane book filled with timeless humor and life itself. Full-color illustrations throughout

Spellbinding. - BooklistThe Book of Hopeis... filled with weird jokes, funny cartoon gags, and surprisingly poignant observations on aging, death, andyeshope. ... The illustrations are beautiful, and without trying to spoil anything, the later chapters more than live up to the name of the book. It's a nice, off-kilter story about what happens when you let hope into the darkness that life can seem to hold. - Ryan E.C. Hamm, Under the RadarFinnish cartoonist Tommi Musturi creates charmingly beautiful illustrations while maintaining a virile sense of humor, sarcasm, and oddity. - Roderick Ruth, ComicosityAbout the AuthorBorn in 1975, Tommi Musturi is a Finnish cartoonist, illustrator, graphic designer, and artist. In addition to his current ongoing series Walking with Samuel and The Books of Hope, Musturi

contributes to the studio Kutikuti based out of Helsinki, which creates, publishes, and teaches comic art. Seeing that there was an unmet demand, Musturi co-founded Huuda Huuda in 2006 to translate international comics into Finnish, publish local comic artists, and get the word out about the vibrant Finnish scene by anthologizing the work in English. Musturi currently resides in Tampere, Finland.
