**R. Crumb : The Book of Mr. Natural** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Mr. Natural:

A Crumb classic featuring his signature creation, available in hardcover for the first time! This collection features over 120 pages of vintage Crumb comics starring the white-bearded, diminutive sage-cum-charlatan, ranging from charming, free-wheeling early 70s stories to the disturbing, controversial 90s stories (as seen in the Crumb movie), including the entire 40-page Mr. Natural and Devil Girl epic. Crumbs Mr. Natural is probably the most famous underground character of all (topping even Fritz the Cat and the Freak Brothers), recognizable even to civilians. Dont miss this opportunity to snatch up this jam-packed collection of comics from one of the all-time masters! 112 pages of

black-and-white comics
