Alejandro Jodorowsky : The Borgias (Manara Library) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Borgias (Manara Library):

2 of 2 people found the following review helpful. Manara is an amazing artist and Jodorowsky has done an incredible job in ...By MaurizioManara is an amazing artist and Jodorowsky has done an incredible job in recreating the infernal atmosphere around this cursed and powerful family. What truly stands out is the quality of Manara's beautiful and sexy art-work. Only Paolo Aleuteri Serpieri can compete with this artist in the portrayal of beautiful female bodies. An excellent example of adult graphic novel at its peak!1 of 1 people found the following review helpful. life and betrayal along with beautiful art. A great readBy Wayne MarkleyWhen you add Jodorowsky and Manara it is almost impossible to miss. As with all of their collaborations this is a complex tale of history, life and betrayal along with beautiful art. A great read, as this is an illustrated story more than a comic book or graphic novel. A fine conclusion to Dark Horse's Manara library.1 of 1 people found the following review helpful. Five StarsBy FabianoAlejandro Jodorowsky and Milo Manara made the perfect partnership to deliver a story full of power, greed and lust.

Alejandro Jodorowsky and Milo Manara's four-part sweeping saga of sex, blood, and religion is collected in a single edition for the first time ever, a perfect companion volume to Dark Horse's award-winning Manara Library series!

About the AuthorAlejandro Jodorowsky is one of the most famous present-day comic writers. Jodorowsky was born in Iquique, Chile as the son of Russian immigrants. He began his career with several creative jobs, such as mime, actor, film director, a writer of theatre plays and a novelist. An important medium in his output is comics. He made his

comics debut in 1966 and went on to write with many of the most celebrated European artists including Milo Manara and Mowbius (Jean Giraud). He went on to direct a number of motion-pictures and is in the news again with the release of the film Jodorowsky's Dune, the story of his ambitious but ultimately doomed film adaptation of the seminal science fiction novel. The author lives in Paris, France.
