Garth Ennis : The Boys, Vol. 2: Get Some before purchasing it in order to gage whether or not it would be worth my time, and all praised The Boys, Vol. 2: Get Some:

0 of 0 people found the following review helpful. Enjoy!By Modern FossilFirst of all, like Preacher, know that this is

an ADULT series, NOT for kids. And if you love your Marvel and DC superhero stories, you aren't going to like The Boys very much, or maybe you will. An open mind is a gloriously capable one. Ennis satirizes the superhero genre down to its barest of bones here and not at all respectfully, it's absolutely delicious. And, as Garth Ennis fans have come to expect, the boundaries of what you can say and do in a graphic novel will be stretched. In the end it's an incredibly imaginative story that is very well drawn, often utilizing the drawing style of the original "supes" that Ennis is mocking. Enjoy! 0 of 0 people found the following review helpful. A good sequel By Michael Haywood You're given a lot more story in the first volume than you were in the first but as a whole, It's pretty much on par with the first volume. We are given a nice little mystery story behind one of the heroes and the ending is quite fitting. 0 of 0 people found the following review helpful. Great Book By Kindle Customer Great book, I love the series. Its good for a laugh and it is very entertaining. Recommended if you want a little dark reading to satisfy a dark laugh and head shake at how the world really works.

The second volume of the acclaimed series The Boys is here by Garth Ennis and Darick Robertson! Dark avenger Tek-Knight and his ex-partner Swinging are in trouble. Big trouble. One has lost control of his terrifyingly overactive sex-drive, and the other might just be a murderer. It's up to Hughie and Butcher to work out which is which, in Get Some. Then, in Glorious Five Year Plan, The Boys travel to Russia - where their corporate opponents are working with the mob, in a super-conspiracy that threatens to spiral lethally out of control. Good thing our heroes have Love Sausage on their side. The Boys, Vol. 2: Get Some collects issues 7-14 of the critically acclaimed series and is an excellent companion to Dynamite's best-selling Volume I Paperback "The Name of the Game!"
