Roy Thomas : The Chronicles of Conan Volume 34: Betrayal in Zamora and Other Stories before purchasing it in order to gage whether or not it would be worth my time, and all praised The Chronicles of Conan Volume 34: Betrayal in Zamora and Other Stories:

1 of 1 people found the following review helpful. A Warriors Quest Out Of The Past Reproduced In The PresentBy

thirdtwin This volume wraps up Marvel's color version of its original Conan the Barbarian comic- at 34 volumes the set gives you the complete storyline in color if you get the whole set or you could just pick up this volume and volume one if you want to get a sense of how the arc begins and ends before investing in the whole set. The line work is visible in this edition and the color reproduction is pretty good so you get a sense of what the stories were like when first published. Basic fun and adventure. 0 of 0 people found the following review helpful. Awesome stories and art - as always By Khan al-Ofuseemi The best finally home stop an end. Pity. 0 of 1 people found the following review helpful. Five Stars By william j. brown Final volume in the series. I was sorry to see it end.

One step ahead of a vengeful Kothian army, Conan leads a fleeing mercenary band into the dread Dark Valley, a necropolis once throned by a demon slain by Conan himself. But while the demon may be dead, waiting silently in the darkness is an empty suit of armor, waiting only for an unwary host to bring back into the world the armor's owner . . . the malefic Devourer of Souls! The Chronicles of Conan reaches its final titanic volume, collecting classic Conan the Barbarian tales never-before collected and unavailable for nearly a quarter of a century. Praise for a previous volume of Chronicles of Conan: "I can't recommend this collection highly enough. It's got everything. All masterfully restored thanks to the great team over at Dark Horse." --Geeks of Doom

About the Author Roy William Thomas, Jr. is an American comic book writer and editor. He was Stan Lee's first successor as editor-in-chief of Marvel Comics. He is possibly best known for introducing the pulp magazine hero Conan the Barbarian to American comics, with a series that added to the storyline of Robert E. Howard's character and helped launch a sword and sorcery trend in comics. Thomas is also known for his championing of Golden Age of comic book heroes, particularly the 1940s superhero team the Justice Society of America. He has also had lengthy writing stints on Marvel's X-Men and Avengers, and DC Comics' All-Star Squadron, among other titles. Thomas was inducted into the Will Eisner Comic Book Hall of Fame in 2011.
