"Cave Wimp (Vol. 17) completes the 1980s and leads into the 1990s, a creatively fertile period for Crumb, who had given up the editorial reins of his own *Weirdo* magazine to get back to the proverbial drawing board. Included are Crumb's contributions to *Weirdo* from this period, as well as work from *Whole Earth Review*, *Zap Comix*, *Premiere* magazine, and many other rare gems. Featured are classics including the title story *Cave Wimp* the story of the first nerd and *A Short History of America*, amongst others. This volume includes a new introduction by Crumb, full-color cover portfolio sections, and a brand new cover. Black white illustrations with 16 pages of full-color
