R. Crumb : The Complete Crumb Comics Vol. 6: "On The Crest Of A Wave" (Vol. 6) (Complete Crumb)
before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Crumb Comics Vol. 6: "On The Crest Of A Wave" (Vol. 6) (Complete Crumb):

0 of 0 people found the following review helpful. Yes I'm That old.By AlfalfaI'm a baby boomer and I remember reading these in college--well pretty close. I do remember putting Zaps and other Undergrounds in a storage box that my cat decided to use as a cat box. So I don't have any rare first editions :)I think what made Crumb stand out for me was while the Furry Freak Bros (for instance) were kind of off the wall situation comedies Crumb was always working a nutso interior dialog not too far off reality. See how his newer stuff reflects settling down and having a wife

and kids--but still with that wry sensibility. These books are well produced and are certainly good enough to appall the up tight. And even though I don't have a cat anymore I've learned not to leave paper on the floor. 2 of 2 people found the following review helpful. even if not always his best. For even a threshold fan By a higher authority Crumb at his Crest, even if not always his best. For even a threshold fan, a MUST 10 of 10 people found the following review helpful. The best of the best! By Brian Carroll This volume is the best one! With all the strips I remember from my youth. Robert is a pure Genius and this is what I grew up to. Wow no wonder I like thick Women with strong legs! To think my best friend died and I have no idea what he did with these comic books. I hope someone took care of them and is reading them now! the books are just as good as the old comic books...hey even better they are bigger!

Fantagraphics continues to keep underground cartoonist R. Crumb's (The Book of Genesis Illustrated) oeuvre in print and readily available. Robert Crumb enters the 70s On the Crest of a Wave with the sixth volume in Fantagraphics Books reprint series. This includes a couple of genuine rarities, as well as all of Crumb's work from Big Ass #1, Zap #4 (including the legendary, much-busted Joe Blow), the remarkably offensive Snatch #3 and Jiz #1, Despair classics all. Black white with 16 pages of color

About the Author Born in Philadelphia, R. Crumb is the author of numerous comic works and one of the pioneers of underground comics and arguably one of the most famous cartoonists in history. His books include The Book of Genesis Illustrated by R. Crumb, and many more. He lives in the south of France with his wife, the artist Aline Kominsky-Crumb.
