Peter Bagge : The Complete Neat Stuff before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Neat Stuff:

1 of 1 people found the following review helpful. Pete Bagge is the great unsung comic artist of the 90s By Scott Semet Fantagraphics did the world a favor by publishing this book. Pete Bagge is the great unsung comic artist of the 90s. He doesn't get the acclaim of Clowes and Ware, and while they definitely deserve the accolades, Bagge should be equally praised. This is a great collection of his first solo anthology. 0 of 0 people found the following review helpful. ANYTHING PETER BAGGE TOUCHES TURNS TO GOLD! By Book and comic fan! ANYTHING PETER BAGGE TOUCHES TURNS TO GOLD! I BOUGHT EVERY ISSUE BACK IN THE DAY, AND BOUGHT IT AGAIN NOW! I have fond memories of going to the comic shops in the 80s and 90s and seeing this on the shelves!! CLASSIC! 0 of 0 people found the following review helpful. Looks great on my iPad Pro using the Comixology app By Billster This was a double dip for me (I have the compilation books). The material still holds up for the most part, with the exception of some of the "Girlie Girl" stuff. Looks great on my iPad Pro using the Comixology app. I think P. Bagge should do some more "Chet and Bunny Leeway" stories.

This is a deluxe box-set collection of Peter Bagges groundbreaking comic books. Neat Stuff is Bagges one-man humor anthology that ran from 1985 to 1989 for fifteen issues and introduced the world to Girly Girl Chuckie-Boy, the reactionary talk radio host Studs Kirby, the hulking misfit Junior, suburbanites Chet and Bunny Leeway, the Goon on the Moon, lounge lizard Zoove Groover, and Bagges signature creations, The Bradleys. Black white with 32 pages of color.

As an object, The Complete Neat Stuff is simply gorgeous. Its large and heavy, with clean angles and bright, beautiful, gigantic portraits of Bagges characters on the book covers and the slipcase. The paper is thick and the reproduction of Bagges original art is unbelievably sharp. - The Seattle of Books About the Author Peter Bagge created Hate, one of the best-selling and most formative comic book series of the 90s. Born in New York in 1957, after graduating from the School of Visual Arts, Bagge contributed to and, along with R. Crumb, edited the underground anthology Weirdo. Since then Bagge's numerous original graphic novels and collections of comics have won him two Harvey Awards (one for Best Cartoonist in 1991), an Inkpot Award, and garnered six Eisner Award nominations. His social commentary cartoons run in the magazine Reason, and his recent biography of Planned Parenthood founder Margaret Sanger is critically acclaimed. He lives in Seattle, Washington.
