Matt Kindt, Jason Hall : The Complete Pistolwhip before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Pistolwhip:

4 of 4 people found the following review helpful. This is an old time detective thriller that features a femme fatale, circus freaks, murders and mystery!By T. RennickThis is where Matt Kindt first made his big splash onto the world of comics and what a splash it was. The Pistolwhip graphic novels printed here in color for the first time. The color added to Matt's great artwork looks fantastic. It is so nice to see it in color. The storytelling is great too. Kindt and Hall (I love Hall's "cartoon" adventure Star Wars books) have gone on to produce many great books after this debut. This one is still one of my favorites but I also recommend 2 Sitters, 3 Stories, Revolver and Mind MGMT by Kindt.This is an old time detective triller that features a femme fatale, circus freaks, murders and mystery!1 of 2 people found the following review helpful. Deeply on the SurfaceBy J. Edgar Mihelic, MBAUltimately, I liked this book.The problem here is that I cant talk with my hands.I want to speak of the noire character of the book, the dark and unknown that stays there through the end. What really is interesting is how the book can both probe deep and stay on the surface of things so that it is hard to get close to the characters, but you care deeply about them.And heres the hands-y part. I

want to take both of my hands to describe a place in space that takes both hands in parallel facing you, and then weave them through each other. When I do it in space it feels like one of those dances someone on ecstasy does. I've never done ecstasy. It makes me think of that two-bits critical word I learned in grad school: entrelacement. But I think it is just making me drop pseudo-French and not being real. I hate that. So, to look back, this is a book about a private eye and a dame and a radio superhero. And about none of that. And totally worth it. 0 of 1 people found the following review helpful. Five Stars By Customer Great price.

The breakout graphic novel series from MIND MGMT creator Matt Kindt and Beware the Creeper writer Jason Hall returns, in color for the first time and collected in its entirety! The edition includes both Pistolwhip books for the first time in hardcover, along with the Mephisto and the Empty Box one-shot and a story from Dark Horse Maverick: Happy Endings! Thrill to the twisty, interconnected tales of Mitch Pistolwhip, Charlie Minks, Jack Peril, Captain January, the Human Pretzel, and a monkey!

About the Author Matt Kindt was born in 1973 in St. Louis and currently resides in Webster Groves, Missouri. He worked in the local mini-comics scene from a young age, self-publishing his own copyshop zines since 1990. In 1995 he obtained a degree in art from Webster University in St. Louis. In 2001, Top Shelf Productions published his first full graphic novel, Pistolwhip. The book was critically well-received, nominated for the prestigious Harvey Award the next year and featured in Time Magazine's Top 10 list for Graphic Novels of 2001. He has written and illustrated the comics and graphic novels Mind MGMT, Revolver, 3 Story, Super Spy, and 2 Sisters, as well as Justice League of America (DC), Spider-Man (Marvel), and Unity (Valiant). He has been nominated for 4 Eisner and 6 Harvey Awards. His work has been published in French, Spanish, Italian, German and Korean. The author lives in Webster Groves, Missouri. Jason Hall co-created the critically acclaimed Pistolwhip series of books originally published by Top Shelf Productions (including writing the companion book, Mephisto and the Empty Box and the follow-up graphic novel, Pistolwhip: The Yellow Menace), with Pistolwhip being named one of Time Magazine's Top 10 Graphic Novels of 2001. His work includes The Hellboy Companion, Star Wars Tales, Clone Wars Adventures, Hellboy Animated, The Amazing Adventures of the Escapist, and Crush, as well as Beware the Creeper (DC/Vertigo), Justice League Adventures (DC), and Batman Adventures (DC). His work has been nominated for two Harvey Awards and has been translated into Italian, French, German, Portuguese, Chinese, and Filipino.
