Brad Guigar : The Complete Tales From the Con before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Tales From the Con:

TALES FROM THE CON is an uproarious take on the world of comic books and conventions. Fanboys, fangirls, cosplayers, retailers, volunteers and pros collide on the convention floor (and beyond) to prove that comic conventions

are one part festival, two parts group therapy. Wrapping up a mega successful run of over four years online, where it has entertained hundreds of thousands of fans, **THE COMPLETE TALES FROM THE CON** collects every single strip ever published online, along with some unpublished strips as well! Written by Eisner-nominee **BRAD GUIGAR** (Evil Inc, How to Make Webcomics) and illustrated by **CHRIS GIARRUSSO** (G-Man, Mini Marvels) and **SCOOT MCMAHON** (Aw Yeah Comics), If you've ever been to a comic convention, you'll recognize the scenes in **TALES FROM THE CON**, the irreverent webcomic that has appeared on the Emerald City Comicon website since 2012. Collects the complete 4+ year run of **TALES FROM THE CON** strips along with bonus material.
